

A Gift from Above

Congratulations on the birth of your new baby!

All of us from the Do Good Restaurant and Ministry are so excited for you and your little one. What a blessing your child is. We know that in today's world, being a parent will be a challenging job and that you will do all in your power to safeguard and protect your little one. Let us help you in that endeavor.

The enclosed gift certificate entitles your baby to a free blanket, cap, or bonnet. This is our gift to you in celebration of your new child's life. The items are sewn here at the ministry and made with love. The blankets are made with the softest materials and have a small embroidered logo on the corner that says, "Christ Covered Child." The little boy caps are made in a light blue material, and the little girl bonnets are white lace trimmed. The logo is on the back of the caps and bonnets—gently cradling your precious child's head.

Please stop in anytime to Do Good Restaurant and Ministry with the gift certificate enclosed to pick up the gift of your choice. We look forward to seeing you and meeting your new baby!

"Put on the full armor of God so that you may be able to stand firm against the tactics of the devil." Ephesians 6:10
